## WORK EXPERIENCE

### Lexis Nexis / Martindale-Hubbell (Robert Half: The Creative Group) New Providence, NJ

Nov 2014 - present, *Web Designer*  
At Lexis Nexis, I design responsive websites for new and existing clients. I've created a handful of websites that are being sold under our newest template based product. I also design assets for our clients sites and push those assets live through WordPress. When presenting custom sites, I'm responsible to create HTML mock-ups to walk our clients through a design presentation.

### ORCUS Sciences, Inc, New Hope, PA

April 2013 - Jan 2014, *Package Designer*  
Designed and prototyped beauty product bottles and containers for business meetings. Captured, re-touched and edited professional quality images for brochure advertisements. Conceptualized creative solutions and executed their production in a timely manner.

### SSG, New Britain, PA

Jan 2013 - May 2013, *Design Intern*  
Designed invitations, flyers, brochures, and business cards for a variety of social events. Prepared a number of networking events and social gatherings (invites, food, venue, etc).

### École Parsons à Paris, Paris, France

Aug 2012 - Dec 2012, *International Intern*  
Conceptualized a way-finding system for Les Olympiades in a realistic / affordable manner. Designed mock-up presentation boards of signage possibilities for final creative meeting. Recorded foot traffic data to support my design purpose.

### CFEVA, Philadelphia, PA

Jan 2012 - May 2012, *Design Intern*  
Collaborated in the production of the Philadelphia Open Studio Tours 2012. Conceptualized and designed a Rack Card for Rittenhouse Arts & Culture. Designed flyers, invitations, and brochures for the Philadelphia Open Studio Tours, RAC, and CFEVA's Annual Benefit.
